

Reorganized Brownie Troop 167 Plans First Meeting on Dec. 1

By MARY and JACK WEBB
FE 5-3051

Brownie Troop 167 will hold its first meeting on Wednesday, Dec. 1 at 4 p.m., leaders of the troop decided last Wednesday.

Held at the home of Mrs. Thomas J. von Blankenburg, 700 Calle de Arboles, the group heard about its background from Mrs. John Treacy, former co-leader.

Mrs. Paul Albright will lead the group, with Mrs. Albert Abend as assistant. Chairmen named were Mrs. Ernest Russel, transportation; Mrs. Charles Neimoller, telephone; Mrs. Frank Morris, troop chairman; Mrs. Fred Klingler, cooks; and Mrs. Helen Mundell, assistant.

Troop 167 consists of 16 girls including Bunny Brazer, Patty Zens, Jill Webb, Diane Duval, Michele Niemoeller, Maureen Treacy, Pamela Free, Charlene Mundell, Terry Ann O'Keefe, Mel Ruth Russell, Karen Prodan, Patricia Klingler, Nancy Sue Albright, Alana Morris, Cynthia, and Rosemary Abend.

Steven Reed, 6, fell at school and cracked his head on a school desk. A quick rush to the doctors resulted in six stitches. Steven is the son of Mrs. and Mrs. John Reed, of 138 Via Alameda, who stoutly maintained that it hurt them more than it did him.

Mrs. Eugene L. Byrd, of 628 Via la Solva, was hostess Saturday for the Pi Beta Phi Alumni Country Fair held at her home. Sunbonnets and jeans were the formal attire of the 36 guests at the fair.

Mrs. Byrd is also recording secretary for the Pi Beta Phi alumnae group. Mrs. Frederick Brunner, of 342 Paseo de la Playa, one of the guests at the fair, is a past president of the group.

The regular monthly PTA meeting of the Riviera School was held at the school yesterday. Mrs. Katherine Loftus and her Glebe Club presented one of the highlights of the evening with their group of songs. Featured were "We'll Take Thanks giving," "Over the River" and "Through the Woods," and a "Thanksgiving Prayer."

Robert Dexter, principal of Riviera School, presented the "Artistic Readiness," a Torrance educational film to the group of adults attending the meeting.

Hostesses for the meeting were Mrs. Herbert Shirley and Ed Bakerbower, Room 8; Harry Simons and Kenneth Weller, Room 18; Gene Richard and Amby Schindler, 1 p.m. class; and Thorsden Burman and Ross Dorsett, Room 4.

Next on the docket for Las Vecinas is their meeting on Wednesday at 8 o'clock at the Redondo Woman's Club, where they'll hold their annual Husband's Night. Feature of the evening will be the appearance of Freeman Lusk, TV moderator-journalist-lecturer. His subject, says Mrs. Alex Hunt, publicity chairman for Las Vecinas, will be "Are We Losing World War III?"

Lusk's appearance before the women's group is not his first one. Lusk, a TV commentator, was radio news commentator for the Los Angeles Examiner for many years; an editor of four newspapers; and is recognized as an authoritative interpreter of the world scene.

Comment of the Week: One Riviera, speaking of the barricades and how defenders of the same claim they give safety and security to children, paraphrased one of Ike's remarks regarding safety and security, to wit: "Like Ike said, if you want perfect safety, go to jail. Jail is 100 per cent security."

If barricades are the answer to safety and security for our

children, let's put up iron posts all the way around Riviera.

Hollywood Riviera Lee Kendall, of 603 Calle Mayor, was installed last week as district chairman of the South Bay District, Los Angeles Area Council, of the Boy Scouts of America. He'll take over his new and big responsibilities immediately, succeeding former chairman Carl R. Small.

Speaker of the evening at the installation meeting was Arnold C. Sorenson, Scout executive, who pointed out that Kendall's district has grown from 1500 Scouts to more than 8100 during the four years of its existence.

Mrs. T. F. Dattel, of 414 Palos Verdes Blvd., chairman of dances held for students of Riviera School, reported this week that a piano has been donated to be used for the seventh and eighth grade dances.

It was donated by Mr. and Mrs. C. W. Linton, of 501 Calle de Arboles. Mrs. Dattel reports that she and Mrs. Ed Bakerbower, of 235 Paseo de Gracia, will refinish the instrument themselves. The Hollywood Riviera Sportsmen, in a typical gesture of good will, voted at a recent meeting to set up a fund of \$50 to use to repair any donated piano. The piano was moved into the El Retiro Park Recreation Building last Tuesday by the Torrance Recreation Department.

NEW NEIGHBOR DEPT.: Welcome to Mr. and Mrs. Richard O. Brown, who moved into their new home at 235 Via Linda Vista on Halloween night, from their former residence in Larchdale. He is with Sears Roebuck at their Ingleswood store. They have two children, Cheryl, 3½, and Geri 14 months.

Congratulations are due the George Schneiders, of 636 Calle Miramar, on the birth of their sixth child, Christopher, at St. John's Hospital in Santa Monica, on Oct. 14. He was baptized Sunday, Nov. 7, at St. James Church in Redondo Beach, with Mr. and Mrs. John McVey, of Torrance, as godparents.

Guest of the Hollywood Riviera Democratic Club last Tuesday evening at their Hollywood Riviera Beach Club meeting was Dr. Frank Sullivan, of Loyola University.

The Riviera Democratic Club was formed in June of this year. Don Whitney, of 509 Calle de Arboles, has returned from a 10-day "cur of duty" at Moody Air Force Base at Valdosta, Ga., where he completed a senior of-

ficers' jet indoctrination course, speeds, of up to 525 miles per hour, and cross-continent flights at altitudes up to 30,000 feet.

Reminder to Riviera Sportsmen: Tonight is meeting night for Sportsmen in their club rooms at Hollywood Riviera Beach Club. Meeting commences at 7: business meeting at 8.

Mr. and Mrs. Frederick L. Griffin, of 234 Paseo de las Delicias, returned home last week from San Francisco, where she competed in a regional dress design contest.

First prize winner of the senior division of the National Wool Bureau's annual "Make-It-Yourself-in-Wool" contest in Southern California, she and three other Southern California district winners spent a week in the Bay Area in the Pacific Coast Regional competitions as guests of the Women's Auxil-

ary. She placed seventh in the contests, competing with students from all sections of the coast.

Thief Steals Pigeons Thirty pigeons valued at \$30 were stolen from a chicken coop behind her house, Bertha Walen, of 2216 Normandie Ave., reported to sheriff's deputies Thursday. Thieves cut the wire in the coop to gain entrance.
